## Rector's Reflection

We don't like to wait patiently for God's answers to our prayers. Many Christians think that God should instantly answer us. Our flesh, like our culture, wants instant gratification. However God works out His will in our lives and shapes us through the process of His delay. If I can put it another way, if it is better for us to receive a quick answer to our prayers then God will definitely give it to us. Yet we need to understand that "better for us" does not necessarily mean physically beneficial to us as much as spiritually beneficial.

The Lord is always interested in growing or maturing us in our faith – bringing about the things in our lives that prepare us to be more like Jesus. So if an answer to our prayer is immediate, it is for our benefit. In the same way, we need to understand that when God delays answering our prayer it is to our benefit both spiritually and physically or materially.

Don't be discouraged and don't give up. In order for our faith to grow it must be tried and tested, before we see God bring deliverance and bring about His will.

God uses delays so others can observe your walk with the Lord over time. One of the greatest witnesses for Christ is when people see how a believer responds to a difficulty in his or her life! If they see you patiently waiting on God – filled with peace as you endure the trial – it helps them see that what you have in Christ is real!

*Revd. Canon Garth Nathaniel*

### **We are all praying for our sister in Christ Pat Hale who has recently been diagnosed with cancer.**

To save Pat from being overwhelmed, we have asked Pam and John Butler to be the main point of contact for this period. If you wish to visit Pat, please contact Pam or John first as unexpected visitors can be extremely exhausting for her.

If you would like to help out by cooking a meal for Pat and Dave, please contact Chris McLaren.

**Our Lent Course, "Talking Jesus", is starting soon!** A sheet is available in the Huband Room to vote on which day of the week you would like it to take place.

**The next Traidcraft Stall** will be after the 9:45 service on February 16th.

**Parish Giving Scheme:** If you have received confirmation that the start date for your Direct Debit will be March you may need to do one of the following:

1. Cancel your standing order once the payment for February has been made.
2. Stop using the weekly envelopes when you have used the last one dated for February.

If you have any questions, please contact Pam Butler.
